

Merry Christmas

Kathi in her kerchief, and Jim in his cap,
Had just settled their brains for a long winter's nap,
When what to their wondering eyes should appear,
But a familial sleigh and eight frisky reindeer.

Jim and Kathi Lengel
Crossett Hill Lodge
Box 341, Waterbury, VT 05676

With little old drivers, so lively and trim,
One looked like Kathi, the other like Jim.
More rapid than eagles, the family came,
And they whistled and shouted and called them by name:

*Now Annie! Now Ben! Now Molly and Kyle!
On Etta! On, Charlotte! We're sleighing in style!
On Emmy and Ellie! Their dogs and cats too:
From the whole sleighing family: Merry Christmas to you!*
